‘Regulators are not here to be liked, but I want the NMC to be respected’
(Interview with Jackie Smith, new Chief Executive, NMC)

Record keeping in practice

Staff use of acronyms in electronic care records
Rees, G. *Mental Health Practice*, 2013, vol. 16, no. 10, p. 28-31

Multidisciplinary health professionals' assessments of risk: how are tools used to reach consensus about risk assessment and management?

Care at just a touch
(An electronic nursing observation system, used on iPod Touch devices, is contributing to patient safety by making records more accurate)
Lomas, C. *Nursing Standard*, 2013, vol. 27, no. 44, p. 22-23

The role of nurses in medicine administration errors
Wright, K. *Nursing Standard*, 2013, vol. 27, no. 44, p. 35-40

Patient safety: threats and solutions

Reducing cardiac arrests in the acute admissions unit: a quality improvement journey
Beckett, D.A. et al. *BMJ Quality and Safety*, 2013, July, open access online article
(This project - part of the Scottish Patient Safety Programme - used Quality Improvement methods to reduce cardiac arrests in the acute admissions unit, Stirling Royal Infirmary)
http://qualitysafety.bmj.com/content/early/2013/07/17/bmjqs-2012-001404.full

The benefits of disposable surgical equipment
Higginson, R. *British Journal of Nursing*, 2013, vol. 22, no. 12, p. 690-691

Nurse-led chemotherapy clinics: issues for the prescriber
Governance (continued)

Helping children who require long-term parenteral nutrition
Sadlier, C. Nursing Children and Young People, 2013, vol. 25, no. 6, p. 14-20

Regulatory reform: revalidation as professional crisis or critique and change opportunity for midwifery?
Spendlove, Z. British Journal of Midwifery, 2013, vol. 21, no. 6, p. 417-21

Measuring the clinical effectiveness of district nurses

Good handwriting: a vital element of a district nurse’s duty of care

Leadership

The following two articles were referenced by Peter Lachman - internationally renowned Health Foundation Quality Improvement Fellow and inspirational speaker - at the recent Engaging Leadership seminar in the HSC Leadership Centre, Belfast:

Large-system transformation in health care: a realist review

The four habits of high-value health care organisations

Clinical supervision: from staff nurse to nurse consultant. Part 1: what is clinical supervision?
Fowler, J. British Journal of Nursing, 2013, vol. 22, no. 13, p. 786

Appraisal: a key tool to delivering quality care

The human touch
(On being a manager and maintaining contact with patients)
Brunsdon, J. Nursing Older People 2013, vol. 25, no. 6, p. 39

Inspirational women
Health Service Journal, 2013, vol. 123, Supplement no. 6355
**Workforce**

**Making the case for more nurses**  

**Predictors of staff distress in response to professionally experienced miscarriage, stillbirth and neonatal loss: a questionnaire survey**  

**Shared decision-making: nurses must respect autonomy over paternalism**  

**Towards new ways of working in dementia: perceptions of specialist dementia care nurses about their own level of knowledge, competence and unmet educational needs**  

**The value of mental health nurses working in primary care mental health teams**  

**Getting the skill mix right**  
Brodie, H. *Nursing Older People*, 2013, vol. 25, no. 6, p. 10

**Care closer to home: the role of district nurses**  
Bliss, J. & Bain, H. *British Journal of Nursing*, 2013, vol. 22, no. 12, p. 676

**Policy/Strategy**

**Older people's services: release the pressure**  

**Has austerity brought Europe to the brink of a health disaster?**  
(Problems have begun to emerge in countries forced to make drastic spending cuts)  
Arie, S. *British Medical Journal*, 2013, vol. 346, no. 7914, p. 16-17

**Comparison of legislation, regulations and national health strategies for palliative care in seven European countries (Results from the Europall Research Group): a descriptive study**  
(online article, pre-publication information)
Moral distress in end-of-life care in the intensive care unit

'Built to last': insights for successful research programs from three continents
Thompson, D. R. & Clark, A. M. International Journal of Nursing Studies, 2013, vol. 50, no. 8, p. 1011-1012

Involving people with dementia in research
Higgins, P. Nursing Times, 2013, vol. 109, no. 28, p. 20-23

Health inequalities as a foundation for embodying knowledge within public health teaching: a qualitative study
Mabhala, M. A. International Journal for Equity in Health, 2013, vol. 12, article 46 (Open access article) http://www.equityhealthj.com/content/pdf/1475-9276-12-46.pdf

Seven propositions of the science of improvement: exploring foundations

The role of the clinical preceptor: an integrative literature review
McClure, E. & Black, L. Journal of Nursing Education, 2013, vol. 52, no. 6, p. 335-341

Should I stay or should I go? A study exploring why healthcare students consider leaving their programme

Whole grain intakes in the diets of Irish children and teenagers

Weight bias among UK trainee dietitians, doctors, nurses and nutritionists

Parenteral nutrition: indications, risks and nursing care
Fletcher, J. Nursing Standard, 2013, vol. 27, no. 46, p. 50-57

Hydration – the missing part of nutritional care

Maintaining hydration in enteral tube feeding

Does honey have a place in stoma care?
**Education/Development (continued)**

**Vitamin D deficiency: identifying gaps in the evidence base**  
Bentley, J. *Nursing Standard*, 2013, vol. 27, no. 46, p. 35-41

**Improving the accuracy of BP measurement**  
Denver, E. *Nursing Times*, 2013, vol. 109, no. 26, p. 18

**Promoting compassionate care through learning journeys**  
Price, B. *Nursing Standard*, 2013, vol. 27, no. 48, p. 51-57

**Children’s nurse education - what is important to the service user?**  

**Critical evaluation and reflection on the role of the supervisor of midwives within the maternity services**  

**Studying midwifery in the UK as an overseas student**  
Del Carmen Rubio-Batanas, M. *British Journal of Midwifery*, 2013, vol. 21, no. 7, p. 530

**Improving student learning on a midwifery education programme by using a benchmark course portfolio as a means of reflection and peer review**  

**Mind maps: enhancing midwifery education**  

**Community nurses' participation in palliative care research: the Dignity Care Pathway**  

**Nurse Education Today, 2013, vol. 33, no. 7 - Special Issue: NETNEP2012**  
Contents include:

- **Confident to seek help: the development of skill and judgement in nurse practitioners. A mixed methods study**  
  Fotheringham, D. p.701-708

- **Crossing professional barriers with peer-assisted learning: undergraduate midwifery students teaching undergraduate paramedic students**  
  McLelland, G., McKenna, L. & French, J. p.724-728

- **Mastering the professional role as a newly graduated registered nurse**  
  Pennbrant, S. et al. p.739-745
Patient Experience

**Putting patients first**  
(Article on Geraldine Browne, Manager, Silverdale Care Home, Castlederg and RCN NI Nurse of the Year)  
Pearce, L. *Nursing Standard*, 2013, vol. 27, no. 47, p. 18-19

**Perspectives of patient-centred care**  

**COPD in primary care settings in Ireland: stories from usual care**  
Hyde, N. *British Journal of Community Nursing*, 2013, vol. 18, no. 6, p. 275-282

**Changing the care landscape**  
(The quality of care given to dying people is one measure of how much a country value its population; the principles and processes of Wales' plans to improve end-of-life care)  

**Reflections on a visit to a dementia care village**  
(Discusses what the UK can learn from a Dutch model that focuses on personhood)  
Jenkins, C. & Smythe, A. *Nursing Older People* 2013, vol. 25, no. 6, p. 14-20

**Countering the stereotype of the unpopular patient**  
Price, R. *Nursing Older People* 2013, vol. 25, no. 6, p. 27-38

**The development of a model of dignity in illness based on qualitative interviews with seriously ill patients**  

**Improving recovery with critical care rehabilitation**  

**Patient empowerment in long-term conditions: development and preliminary testing of a new measure**  
(Open access online article – pre-publication information)

**Implications of patient shared decision-making on wound care**  
Patient Experience (continued)

A fresh way to treat venous leg ulcers with measured compression

Towards an understanding of the lives of families affected by stroke: a qualitative study of home carers

Malnutrition and risk of malnutrition in patients with stroke: prevalence during hospital stay

Options on obesity
(Surgical options are being avoided thanks to weight-loss services by expert nurses)
Dean, E. *Nursing Standard*, 2013, vol. 27, no. 48, p. 22-23

'Talking a different language': an exploration of the influence of organizational cultures and working practices on transition from child to adult mental health services
(Open access) [http://www.biomedcentral.com/content/pdf/1472-6963-13-254.pdf](http://www.biomedcentral.com/content/pdf/1472-6963-13-254.pdf)

Improving patient outcomes following a cancer diagnosis

Improving cancer survival with lifestyle advice
Murphy, J. & Girot, E. *Nursing Times*, 2013, vol. 109, no. 29, p. 22-23

Life after cancer
(On the challenges of care and services for growing numbers of cancer survivors)
Trueland, J. *Nursing Standard*, 2013, vol. 27, no. 48, p. 16-18

Compassion into action
Adamson, L. *Nursing Standard*, 2013, vol. 27, no. 47, p. 61

Improving the care of older persons
Special Issue: *International Journal of Nursing Studies*, 2013, vol. 50, no. 9

‘Just waiting to be hauled over the coals’: home birth midwifery in Ireland
