The first report of its kind from the Royal College of Midwives, this looks at a number of indicators of the pressures on maternity care, and available resources, in the four UK countries.

Implementing and adopting electronic health record systems: How actor-network theory can support evaluation.

Governance and human resources for health (Editorial)
Dieleman, M. & Hilhorst, T. Human Resources for Health, 2011, vol. 9 (Pre-publication information)

Thomson, A. M. Midwifery, 2011, vol. 27, no. 6, p.e181-e181

Innovation in mental health services: what are the key components of success?
http://www.implementationscience.com/content/6/1/120

What research impacts do Australian Primary Health Care researchers expect and achieve?
Leadership

Why resilience is key to leadership in a changed NHS
Hardacre, J. & Keep, J. HSJ, 2011

From middle to higher ground: teaching the leaders of the future
Haq, L. HSJ, 2011
http://www.hsj.co.uk/resource-centre/best-practice/flexible-working-and-skills-resources/from-middle-to-higher-ground-teaching-the-leaders-of-the-future/5036627.article

Leadership and workforce
Mooney, H. HSJ, 2011, no. 6282, p19-20 (envisaged ‘NHS Leadership Academy’)

Success is a team effort
Mooney, H. HSJ, 2011, no. 6280, p21-22

Lead from the middle
Haq, L. HSJ, 2011, no. 6280, p23-25

A framework to develop leadership potential
Nursing Management (Harrow), 2011, vol. 18, no.7, p29-33

Leadership, staffing and quality of care in nursing homes
Havig, A. et al. BMC Health Services Research 2011, vol. 11 (Pre-publication information)

Workforce

Redesigned A&E departments to reduce violence
Calkin, S. HSJ, 2011
http://www.hsj.co.uk/news/acute-care/redesigned-ae-departments-to-reduce-violence/5037890.article

The next generation (succession planning).
Eames, S. HSJ, 2011, no. 6280, p 19

Nursing people at home
This report from The Queen’s Nursing Institute forms part of its Right Nurse, Right Skills campaign, calling for a properly skilled and trained home nursing workforce.
http://www.qni.org.uk/docs/RNRS_report_WEB.pdf

Assessing the patient safety competencies of healthcare professionals: a systematic review
Okuyama, A. et al. BMJ Quality and Safety, October 2011 (Pre-publication information)

Please note that NIPEC is not responsible for the content of external internet sites
Workforce (continued)

A systematic review of integrated working between care homes and health care services.

**Policy/Strategy**

Economic regulation in health care: What can we learn from other regulators?
New report from The King’s Fund says that economic health regulator, Monitor, may fail unless Health Bill is amended to provide greater clarity on its role.

United but divided? The need to consider the potential consequences of devolved UK government on midwifery education and practice.
Cheyne, H. *Midwifery*, 2011, vol. 27, no. 6, p770-774

**Education/Development**

Staying in. (on-site education)
Moore, A. *HSJ*, 2011, no 6282, pS5-S5

Effect of an institutional development plan for user participation on professionals' knowledge, practice, and attitudes. A controlled study.

Transforming Care at the Bedside for Nurse Faculty: Can Continuous Quality Improvement Transform Nursing Education?
Mellchar, L. *Journal of Nursing Education*, 2011, vol.50, no.11, p603-604

Nursing Education Innovation: Needs

Characteristics of leadership that influence clinical learning: A narrative review.

Effects of a spiritual care training for nurses.
