Governance

The current state of abortion law and practice in Northern Ireland
Daniels, P., Campbell, P. & Clinton, A. British Journal of Nursing, 2013, vol. 22, no. 6, p. 326-328

After Francis: the government response

Fears over use of HCA apprentices

Nurses have their say on the regulator
Kendall-Raynor, P. Nursing Standard, 2013, vol. 27, no. 32, p. 16-18

Nurse-led clinics: accountability and practice
Griffith, R. Nurse Prescribing, 2013, vol. 11, no. 4, p. 196-199

The effect of lean systems on person-centred care
Kelly, J. Nursing Times, 2013, vol. 109, no. 13, p. 16-17

Development and initial evaluation of a treatment decision dashboard

The calculation of quality indicators for long term care facilities in 8 countries (SHELTER project)

Leadership

Advancing practice: from staff nurse to nurse consultant. Part 6: learning from experience
Fowler, J. British Journal of Nursing, 2013, vol. 22, no. 6, p. 352

Advancing practice: from staff nurse to nurse consultant. Part 7: problem solving

Note: Some full text will be available via the HONNI website - log on to www.honni.qub.ac.uk
For alternative forms of document supply, please refer to your organisation’s library & information service.
Leadership (continued)

Differences between clinical specialist and advanced practitioner clinical practice, leadership, and research roles, responsibilities, and perceived outcomes (the SCAPE study)

Managing clinical improvement projects

No fall is just an accident
Duffin, C. *Nursing Standard*, 2013, vol. 27, no. 34, p. 20-21
(Article on a clinical manager who has helped develop colleagues in the area of falls prevention)

Workforce

New chief nurse for Northern Ireland plans to strengthen district services
Kendall-Raynor, P. *Nursing Management* (Harrow), 2013, vol. 20, no. 1, p. 7

Never enough staff to care
Agniew, T. *Nursing Standard*, 2013, vol. 27, no. 29, p. 18-21

“Put nurses at the bedside, then work out how many are needed”
Collicott, M. *Nursing Times*, 2013, vol. 109, no. 14, p. 11

What is a ‘safe’ staffing level? In light of the Francis report, why new guidelines on minimum staffing numbers are urgently needed
Kay, J. *Nursing Management* (Harrow), 2013, vol. 20, no. 1, p. 11

What are 12-hour shifts good for?
*Nursing Times*, 2013, vol. 108, no. 15, p. 24-25

Focus on staff well-being
Maben, J. *Nursing Standard*, 2013, vol. 27, no. 34, p. 61

Nursing competence: psychometric evaluation using Rasch modelling
Müller, M. *Journal of Advanced Nursing*, 2013, vol. 69, no. 6, p. 1410-1417

Recruiting nursing applicants: will ‘Patients First and Foremost’ work?

Supporting newly qualified nurses in the UK: a systematic literature review

Workforce (continued)

When the patient is your mum

Developing a culture of compassionate care - the midwife’s voice?
Hall, D. J. Midwifery, 2013, vol. 29, no. 4, p.269-271

Policy/Strategy

'Straight from the horse's mouth': rethinking and reconfiguring services in Northern Ireland in response to suicidal young men

The unequal health of Europeans: successes and failures of policies

Health law and policy in the European Union

The health information ecosystem, technology to support more effective hospital discharge, data quality enables prediction of outcomes, and supporting better decision making
de Lusignan, S. Informatics in Primary Care, 2013, vol. 20, no.2, p. 77-80

Computerised decision support systems for healthcare professionals: an interpretative review
Cresswell, K. et al. Informatics in Primary Care, 2013, vol. 20, no.2, p. 115-128

Electronic document management systems: pitfalls and benefits
Kain, N. & Koshy, O. British Journal of Health Care Management, 2013, vol. 19, no. 4, p. 173-177

Telehealth: a case study in a large GP practice

Mobile devices to improve care
Wray, S. Nursing Standard, 2013, vol. 27, no. 33, p. 70-71

Wise up to social media pitfalls
The importance for employers and employees of having an unambiguous social media policy

The community nurse and the use of social media

Please note that NIPEC is not responsible for the content of external internet sites
Policy/Strategy (continued)

Shining a light on coordinated care
US firm Beacon Health Strategies creates tailored care plans

Listening is the key to better care
Homa, P. Health Service Journal, 2013, vol. 123, no.6347, p. 32

Education/Development

Role of facilitators in delivering high quality practice education
Sykes, C. Nursing Management, 2013, vol. 19, no. 9, p. 16-22

Providing constructive feedback to students during mentoring
Duffy, K. Nursing Standard, 2013, vol. 27, no. 31, p. 50-56

Sustaining mentorship for student nurses

‘If we want caring nurses, we must ensure time for good mentoring’

Changes to student nurse training
Entwistle, F. Nursing Times, 2013, vol. 109, no. 16, p. 23

Teaching tips multiple generations in the nursing workplace: part II

Advancing the educational and career pathway for clinical trials nurses

One system or four? Cross-border applications and entries to full-time undergraduate courses in the UK since devolution

The calm before the storm? Burnout and compassion fatigue among undergraduate nursing students

It’s easier than people believe
Care organisations often struggle to offer good training...
