Governance

The impact of EU data regulations on the NHS
(Discusses Health Service responsibility as regards patient data – protecting privacy while sharing vital information – in light of forthcoming revision of European data protection rules)

Campaign for best practice in intravenous therapy
Baldwin, W. et al. *Nursing Times*, 2013, vol. 109, no. 33/34, p. 22-23

Leadership

Mixed picture of female leadership gives hope for future

Clinical supervision: From staff nurse to nurse consultant. Part 2: clarity of terms

Advancing practice: From staff nurse to nurse consultant. Part 3: the NMC perspective
Fowler, J. *British Journal of Nursing*, 2013, vol. 22, no. 15, p. 904

Developing a leadership competency model
Koc, S. et al. *Nursing Times*, 2013, vol. 109, online issue

You are a manager: should you be a leader?

Development Down Under
(Article on how Australian nurses are benefitting from the RCN’s Clinical Leadership Programme, introduced ‘Down Under’ ten years ago)
Silverston, H. *Nursing Standard*, 2013, vol. 27, no. 51, p. 24-25
Workforce

Nurses' turnover: reviewing the evidence, heeding the results?
Buchan, J. *Journal of Advanced Nursing*, 2013, vol. 69, no. 9, p. 1917-1918

‘Care left undone’ during nursing shifts: associations with workload and perceived quality of care
Ball, J.E. et al. *BMJ Quality and Safety*, 2013, open access article: 
http://qualitysafety.bmj.com/content/early/2013/07/08/bmjqs-2012-001767.full?g=w_qualitysafety_open_tab

The relationships between communication, care and time are intertwined: a narrative inquiry exploring the impact of time on registered nurses' work

Delineating the practice profile of advanced practice nursing: a cross-sectional survey using the modified strong model of advanced practice

What are the roles of clinical nurses and midwife specialists?
Wickham, S. *British Journal of Nursing*, 2013, vol. 22, no. 15, p.867-875

Breaking through the barriers to nurse prescribing

Nurse prescribing in mental health: why it makes sense
Inman, P. *Nurse Prescribing*, 2013, vol. 11, no. 8, p. 407-413

Polyprofessionalism: a shift in healthcare delivery

Support of the health-care assistant
Barker, K. *British Journal of Midwifery*, 2013, vol. 21, no. 8, p. 538-539

Policy/Strategy

How active are our children? Findings from the Millennium Cohort Study
(Among other findings, the study reveals that children living in Northern Ireland were least likely to meet CMO physical activity guidelines for primary school children)
Griffiths, L.J. et al. *BMJ Open*, 2013, vol. 3, open access article: 
http://bmjopen.bmj.com/content/3/8/e002893.full.pdf+html
Education/Development

Evaluating the impact of scholarships

Implementing a virtual exchange project for student nurses in Queensland and Nottingham

Practising for progression into nursing: a collaborative approach to the preparation of potential nursing students

Nursing students and geriatric care: the influence of specific knowledge on evolving values, attitudes, and actions

Informed consent in clinical research

Service user involvement: inspiring student nurses to make a difference to patient care

Changing the way that I am: students’ experience of educational preparation for advanced nursing roles in the community

Managing anorexia nervosa in the community

Managing chronic pain in older people

Derivation and validation of a simple, accurate and robust prediction rule for risk of mortality in patients with *Clostridium difficile* infection
Butt, E. et al. (Exeter University) *BMC Infectious Diseases*, open access: [http://www.biomedcentral.com/1471-2334/13/316/](http://www.biomedcentral.com/1471-2334/13/316/)

Influencing factors in MMR immunisation decision making

Raising awareness of men’s risk of premature death
White, A. *Nursing Standard*, 2013, vol. 27, no. 50, p. 35-41

Investigation into the value of trained glycaemia alert dogs to clients with Type I Diabetes
Rooney, N.J. et al. *PLoS ONE*, 2013, vol. 8, no. 8, open access article at:
http://www.plosone.org/article/info:doi/10.1371/journal.pone.0069921

The TARGET cohort study protocol: a prospective primary care cohort study to derive and validate a clinical prediction rule to improve the targeting of antibiotics in children with respiratory tract illnesses

Pre-term infant care

It’s a boy! The development of midwifery

*British Journal of Learning Disabilities*, 2013, vol. 41, no. 3: Special Irish Issue

Contents include:

Ireland’s ratification of the UN convention on the rights of persons with disabilities: challenges and opportunities
Doyle, S. & Flynn, E. p. 171-180

Irish attitudes to sexual relationships and people with intellectual disability
McConkey, R. & Leavey, G. p. 181-188

Mothers with intellectual disabilities: interactions with children and family services in Ireland
Sheerin, F. K., Keenan, P. M. & Lawler, D. p. 189-196

IT skills for modern day living - supporting adults with disabilities to access lifelong learning
Wende, J. p. 210-211

Identifying the types of technology that are used by children with intellectual disabilities and associated complex needs living at home in Ireland
Nicholl, H. et al. p. 229-236

Reflection on a new mental health awareness programme for adults with intellectual disabilities
Finn, A. & Flanagan, L. p. 237-238

Please note that NIPEC is not responsible for the content of external internet sites
A vision of the future for patient experience
Pemberton, S. & Richards, H. *Nursing Times*, 2013, vol. 109, no. 33/34, p. 19-21

Causes and consequences of sleep deprivation in hospitalised patients
Pilkington, S. *Nursing Standard*, 2013, vol. 27, no. 49, p. 35-42

The prevalence of pain at pressure areas and pressure ulcers in hospitalised patients

Post-traumatic stress disorder after intensive care

Humour in adult cancer care: a concept analysis

Nutrition and hydration
Cowan, M. *Nursing Standard*, 2013, vol. 27, no. 49, p. 57

Assistive technologies after stroke: self-management or fending for yourself? A focus group study

Double trouble: the impact of multimorbidity and deprivation on preference-weighted health related quality of life; a cross sectional analysis of the Scottish Health Survey

After a baby has died
Moore, A. *Nursing Standard*, 2013, vol. 27, no. 50, p. 20-21

An ageing population: getting it right
Farrelly, R. *British Journal of Nursing*, 2013, vol. 22, no. 15, p. 911

More than just a listening ear
(On community practitioners linking with dementia patients and their families via GP surgeries in Cornwall)
Allen D. *Nursing Standard*, 2013, vol. 27, no. 49, p. 22-23
