Reflections on the importance of the nurse

Nurses must lead on delivering and celebrating excellent care

Nurse staffing, burnout, and healthcare-associated infection
(reviewed in Nursing Times, 1 August, 2012)

Does nurses' vulnerability affect their ability to care?

It is time we took a firm stand in the battle for safe staff levels

Task uncertainty and communication during nursing shift handovers

Meeting global needs in primary care with nurse practitioners

The hybrid pioneers (on the role of advanced nurse practitioners)

Home-based care for special healthcare needs: community children's nursing services

The key is in the community
Care in the community will ease nursing pressures and help patients but it is not going to happen by accident

The Regulation and Quality Improvement Authority Review of Mixed Gender Accommodation in Hospitals – Overview Report - Published August 2012

Mental Health Strategy for Scotland: 2012-2015
New strategy, with 36 commitments, e.g. faster access to mental health services for younger people; better access to psychological therapies; and working to reduce and prevent suicide
Policy/Strategy (continued)

Establishing and sustaining research partnerships in Africa: a case study of the UK-Africa Academic Partnership on Chronic Disease
de-Graft Aikins, A. et al. *Globalization and Health* (online, open access journal), 2012, vol. 8, p. 29 (pre-publication information)

Centralising midwifery care

Physical examination of the newborn: service provision and future planning

Education/Development

Challenges that may arise when conducting real-life nursing research

How to create a journal article from a thesis
Ahern, K. *Nurse Researcher*, 2012, vol. 19, no. 4, p. 21-25

Open access and online publishing: a new frontier in nursing?

Continuous professional development, friend or foe?

Teaching and learning: from staff nurse to nurse consultant. Part 5: Patient education
Fowler, J. *British Journal of Nursing*, 2012, vol. 21, no. 15, p.943

Systematic reviews: the good, the not so good and the good again

Effective mentorship
Young, L. *Nursing Standard*, 2012, vol. 26, no. 50, p. 59

Benefits of a peripatetic support mentor

Key principles in assessing students’ practice-based learning

Safeguarding patients as a student nurse
